

Directions to the Sisters' Attic from San Antonio

Travel west on I-10 to Boerne and exit 540 (Highway 46 exit.)

At the stoplight, go straight. You will pass an Exxon Station on your right and then a Days Inn Hotel.

Turn right just past the motel onto School St. If you don't turn, you'll end up back on I-10.

Turn right on W. Highland (the first street past the Baptist Church and by the big water tower.)

The entrance to the Sisters' Attic will be the second driveway on the left (316 W. Highland Dr.)

Turn in and follow drive down hill and around to the right to the parking area. The Sisters' Attic will be the first building on your right.
