

About Omega Retreat Center

The Benedictine Sisters opened the Omega Retreat Center on their grounds in Boerne, Texas in 1982. Now in its 40th year, Omega continues to build its legacy as a well-respected Ecumenical retreat center, welcoming people of faith seeking a closer relationship with Christ.

Omega promotes a sense of healing, wholeness, and holiness. In the words of some who have come, Omega is “holy ground” where God has uplifted spirits and healed pain. Many leave feeling refreshed and renewed. Omega’s mission is to provide opportunities for people of all walks of life to experience Benedictine spirituality and hospitality.

On average, 2,000 individuals use the Center each year for spiritual experiences including ACTS retreats, Emmaus Walks, and private retreats. The first ACTS Retreat was held at the Center in 1987.
